

COVID PRECAUTIONS Seasons 2021/2022

Dear Friends,

We realise we are still living through some very unusual times at the moment, but we are determined to keep theatre alive and carry on telling interesting stories and entertaining you.

There are new precautions in place, so that we can ensure you have as safe and relaxed a theatre experience as best as possible. Please read on...

- Masks must be worn at all times in the theatre.
- There are disinfectant dispensers throughout the building, you can wash your hands at will and disinfect.
- **Please book your tickets ON-LINE**, where possible. We have to keep data for 28 days after the show (then it gets deleted). In case of a registered case of covid with a guest, so you can be contacted. We are not responsible for any cases but we can inform you of them. **If you do not understand the German/have problems** the lovely theatre staff are there to help you and make the booking for you, they all speak English **call 01/5131444**.
- If you are running a temperature/feeling unwell please do not come, we will refund your ticket. If there is a case in house the performance will not take place and again your ticket would be refunded. Let's keep each other healthy and safe!
- Due to govt. regulations the 2G rule applies. You must be vaccinated 2x, or vaccinated and recovered. As with all public venues, you will be requested to show your 2G status at the theatre, as well as ID.
- This all seems somewhat dramatic? We are determined to give you as relaxed and beautiful an experience as possible, hence the precautions. These measures do call for an interesting and new theatre experience, but we did not want to stop telling our stories or entertaining you. **vienna theatre project** and Theater Drachengasse are all the more thrilled to welcome you back and entertain you with this wonderful show, with great artists. A moving, at times, humorous show, filled with beautiful song and amazing voices. What more could one want?
- Have questions please contact the theatre at 01/5121354 and the lovely theatre staff can help you.
- We are going to be especially excited this season to have you back! Trailers and photos available online.

See you at the theatre! Love, your Team
